

# Safety results 3Q 2025

equinor

## Safety: performance indicators

### Serious Incident Frequency (SIF)

Serious incidents and near-misses per million hours worked.  
12-month average.

SIF bars are shown using two decimal places from 2014 to visualise smaller movements in the frequency.

### Total Recordable Injury Frequency (TRIF)

Personal injuries per million hours worked.  
12-month average.

### Oil and gas leakages

Number of leakages with rate above 0.1 kg/second  
during the past 12 months.

# List of SIF incidents for 3Q 2025

| Month     | Incident                                            | Location        | Immediate consequence         |
|-----------|-----------------------------------------------------|-----------------|-------------------------------|
| July      | Finger Injury during pipelay activities             | Brazil/Offshore | Personal injury               |
| August    | Broken leg due to fall from height                  | Poland/Onshore  | Personal injury               |
|           | Crush injury on foot during drilling activity       | Norway/Offshore | Personal injury               |
| September | Falling equipment - gate on turret broke off        | Norway/Offshore | Potential for personal injury |
|           | Fatality related to lifting activity                | Norway/Onshore  | Fatality                      |
|           | Broken leg from dismantling activity                | Brazil/Offshore | Personal injury               |
|           | Uncontrolled descent of load during crane operation | UK/Offshore     | Potential for personal injury |

## Annual wheel

Annual cycle for HSE work

Health and  
working  
environment

Prevent  
serious  
accidents

Safe work at  
height/Prevent  
dropped objects

Prevent  
personal  
injuries

## Industry collaboration

- Strong industry collaboration with commitments
- Sharing experience on [alwaysafe.no](https://www.alwaysafe.no) (AkerBP, Vår Energi and ConocoPhillips)
- Safety Charter collaboration towards 2025 with our main suppliers on projects, drilling & well, onshore plants and offshore operations
